

CASE STUDY

Expanding features for CRM systems products, part 5

[INTRO](#)[AUTOMATIC ACCOUNT SEARCH](#)[KNOWLEDGE BASE](#)[APPLICATION FULLFILLMENT](#)[OUTAGE PROCESS](#)

Outage process

Coming soon

I'm hard at work building products by day and crafting the remaining sections in my spare time. Looking forward to sharing Application Fullfillment and Outage Process sections with you in the coming weeks. Thank you so much for your interest and check back soon. Please feel free to reach out if I can help with anything in the meantime.
